Dear First State Bank:

With this gift receipt we send our most sincere thanks for your contribution to the Nebraska Community Foundation affiliated fund listed below. Without the support of generous Nebraskans like you, our mission to unleash abundant local assets, inspire charitable giving, and connect ambitious people would not be possible. Thank you for being part of the movement to make our hometowns the kind of places future generations of Nebraskans are proud to call home.

Did you know that over the next 10 years in Nebraska, more than $100 billion will transfer from one generation to the next? There is always a transfer from generation to generation, as parents pass away and leave their estate to their children. But if the heirs no longer live where they grew up, that wealth may leave as well. You can find out exactly how much is transferring in your county at www.fivetothrivene.org.

One of the best ways to ensure some of this wealth remains in our Greater Nebraska communities is through charitable planned giving. To this end, NCF has created the "5 to Thrive" campaign which asks every generous Nebraskan to consider gifting just 5% of your estate to benefit your hometown and/or favorite charitable causes. If you are interested in exploring the many methods for taxwise charitable planned giving, contact us at 402.323.7330.

Again, we thank you! Together a Greater Nebraska!

Dear Erik,

Thank you again for your generous support of our 2025 November Match Month campaign! Your gift made a meaningful difference for Sheridan County, and I am truly grateful for your partnership and belief in our work.

The generosity of the more than 130 donors like you helped us raise $119,259.78 locally, unlocking the full matching opportunities from the Dane G. Hansen Foundation and the Patterson Family Foundation. Together, this resulted in a total campaign impact of $319,259.78 for Sheridan County.

Local donations raised during Match Month will be added to the Cultivate Sheridan County Fund, our largest unrestricted grant fund. This fund provides flexible, responsive grant support for local nonprofits, community projects, and initiatives that improve quality of life throughout Sheridan County.

Matching funds will be strategically allocated to maximize both immediate and long-term impact. Portions will strengthen the Cultivate Sheridan County Fund, while others will support our Operating Endowment Fund, helping ensure we remain strong, sustainable, and responsive to community needs, now and into the future.

As we begin a new year, please know how thankful we are for your generosity, trust, and continued support. Your partnership strengthens our ability to serve Sheridan County today and helps build a lasting legacy for future generations. We wish you a wonderful, healthy, and prosperous year ahead.

Thank you for being part of this remarkable work!

Sincerely,

Karl Pratt
Executive Director

P.S. We are pleased to share that a new round of matching resources ($3,000 per fund) are available this calendar year to enhance the development of up to ten (10) new grant funds via our New Fund Matching Initiative. And, as always, if you are interested in leaving an estate gift to the Foundation, we are happy to visit with you about options and professional services available to our donors.
