To Those I Love, and Those Who Love Me.

When I am gone, please, let me go.
You have so many things to see and do,
You mustn't tie yourself to me in tears,
Be happy that we had so many years.

I gave to you my love, you can only guess
How much you gave to me in happiness.
I thank you for the love you each have shown,
But now it's time I traveled on alone.

So grieve a while for me if grieve you must,
Then let your grief be comforted by trust.
It's only for a while that we must part,
So bless the memories within your heart.

I won't be far away, for life goes on.
So if you need me, call and I will come.
Though you can't see or touch me, I'll be near;
And if you listen with your heart, you'll hear
All my love around you soft and clear.

And, then, when you must come this way alone,
I'll greet you with a smile and
"WELCOME HOME."

In moments of sorrow,
it's family and friends
who bring
love and peace
Thank you sincerely.

Dear John Engelbert,

I am writing to express our heartfelt gratitude for your generous donation to LEGOs for Leukemia.

On July 27th, we traveled to Denver, Colorado, where we used your donation to purchase $11,000 worth of new LEGOs and other items on the hospital's wish list. These items were delivered to Children's Hospital Colorado and are now ready to comfort and entertain children during their stay.

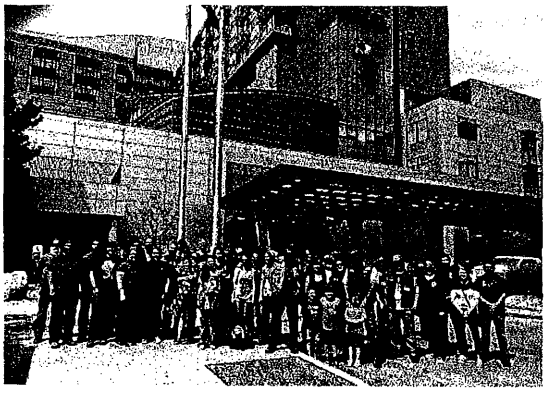

Your support not only helps provide these wonderful toys but also brings smiles and a sense of normalcy to children facing challenging times.

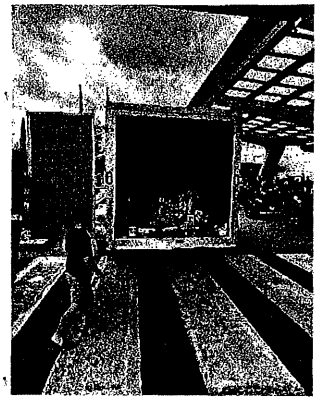

Thank you once again for supporting the annual LEGOs for Leukemia fundraising event. Your contribution makes a significant difference in the lives of these children.

Respectfully,

Cody Bredemeier
